#### **NSS RELEASES ENROLLMENT PIN CODES FOR NURSES FOR THE 2023/2024 POSTINGS**

The Management of the National Service Scheme (NSS) has released PIN Codes for a total of 12,594 eligible final year Ghanaian Nursing Trainees from 107 accredited Nursing Training Institutions in the country to enable them enroll to do their national service for the 2023/2024 service year.

All eligible final year nursing trainees are requested to log onto the Scheme's website on [www.nss.gov.gh](http://www.nss.gov.gh), select the "Applications" menu, and use their Students' ID or Index Numbers assigned by their institutions to obtain the unique NSS enrollment PIN Codes and then proceed to any branch of **ADB Bank Ltd.** to make payment of **GH¢40.00**; or through **MTN MoMo platform** for **GH¢41.00**, to activate the enrollment process.

Closing date for the registration is **Friday, June 9, 2023.**

Management therefore urges all eligible final year nursing trainees to ensure that they personally complete the enrollment process to avoid errors that may subsequently affect processing for their deployment.

All eligible final year nursing trainees are advised to complete their enrollment before the deadline to avoid being left out of this year's postings.
